- ◆ We have got feedback from 2 companies with 3 projects and one of them is going for CDA discussion.

Look to the future...

- ✓ Through DSANJ events, to promote collaboration on the discovery of drugs that meets patients' needs across Japan and Taiwan.

DSANJ-Suggestion

◆ Overview

1-on-1 meeting

◆ DSANJ

Summary

Suggestion

- ◆ It would be great to have an English version on 確認書 to understand better the terms.
- ◆ We would be grateful to receive faster response for better communications.

A network diagram background consisting of a complex web of thin grey lines connecting various nodes. The nodes are represented by small circles in shades of grey, blue, yellow, and purple. The diagram is more dense in the upper right quadrant and becomes sparser towards the bottom left.

Thank you for your attention
